I, \_\_\_\_\_ have been through an orientation time with \_\_\_\_\_ from Asha's Refuge (Date: \_\_\_\_\_). My signature below indicates that I understand that I am volunteering for Asha's Refuge which is a not-for-profit organization dedicated to assisting a portion of the refugee population of the Memphis, TN area. I understand and agree that as an Asha's Refuge volunteer, I am expected to conduct myself with integrity. If I am not available for an agreed upon class or meeting time, have problems arise as I volunteer my time, or simply have questions, I am expected to communicate this with the leadership of Asha's Refuge. I understand that how I conduct myself during my work as a representative of this organization is crucial to achieving our end goal- serving the needs of those we are trying to help.
